Summary

Learn the most in-demand accounting skills, including Accounts and GST with ZOHO Books, through our Certified Industrial Accountant (CIA) online course. The CIA program is one of India's most popular accounting courses for aspiring professionals in accounting and finance. It offers comprehensive theoretical and practical training modules and is recognized as one of the best accounting courses with placement support. After completing this financial accounting course, you'll be ready to pursue various job roles in accounting, finance, and taxation.

Who Is This Course For?

This program is designed for:

- ✔ **Fresher Graduates:** Those eager to start a rewarding career in accounting, taxation, and the corporate sector.
- ✔ **Working Professionals:** Individuals aiming to enhance their CV with practical, job-oriented skills such as GST, ITR filing, and finalization of accounts.
- ✔ **Business Owners:** Entrepreneurs who wish to efficiently manage their company's finances and accounting operations.

Why should you Learn this course?

- ✔ Gain hands-on experience in GST through live simulations and practical assignments on GST Registration, GSTR-1, and GSTR-3B filing.
- ✔ Learn ITR filing step-by-step with real-world case studies
- ✔ Strengthen your resume with in-demand skills such as GST, Zoho Books, and advanced accounting tools.
- ✔ Receive placement support, including resume building, interview preparation, and access to ICA's nationwide hiring partners

Learning Outcomes

Upon completing this course, you will be able to:

✔

Accounting Principles

Apply fundamental accounting concepts to prepare financial statements, calculate depreciation, value inventory, and perform bank reconciliations.

✔

Accounting Software

Gain proficiency in leading accounting tools like Zoho Books to manage and analyze financial data effectively.

✔

Taxation and Compliance

Compute and file Income Tax (ITR, TDS) and master GST processes including e-way bill generation and return filing.

✔

Business Operations

Manage payroll, budgeting, and inventory efficiently using advanced Tally features to streamline operations.

✔

Essential Professional Skills

Develop communication, presentation, and interview skills, along with the confidence and professionalism required in the workplace.

Career Prospects

After completing the program, you'll be a certified accounting professional capable of managing end-to-end accounting operations. You'll be ready for roles such as:

- ✔ Accountant
- ✔ Tax Consultant
- ✔ Financial Analyst
- ✔ Auditor
- ✔ GST Manager

Certification

Upon completing the program, you'll receive two certifications: ICA + NSDC Certification, a government-recognized credential trusted across industries, and the Zoho Training Shop Certification, which validates your hands-on expertise in Zoho Books and cloud-based accounting. Together, these certifications showcase your professional skills, enhance your credibility, and unlock greater career opportunities in accounting and taxation.
